Mr Michael R Boland
Director, Hand Institute, Honorary Faculty in Biomechanics and Surgery.
University of Auckland
New Zealand

Academic or Medical Associations Position:
Honorary Faculty in Biomechanics University of Auckland

Educational background & professional experience (in sequence of the latest year):
Qualified in Orthopaedic surgery through the Royal Australasian College of surgeons, did my hand fellowship at the Kleinert institute, Louisville Kentucky, was the Director of Orthopaedics at James Cook University, Townsville Queensland, for 2 years and spent 6 years as the chief of hand surgery at the University of Kentucky. Currently Director of the hand Institute Auckland New Zealand.

Research Interests:

My research interests are into ulnar sided wrist pain including arthroscopic assessment through to joint arthroplasty of the distal radioulnar joint. I have a particular interest in the biomechanics of the forearm and how it affects the distal radioulnar joint.
